

PRODUCT DATA SHEET

PETROL INJECTOR CLEANER Stop It Additive

Code:710

PETROL INJECTOR CLEANER is a multi functional petrol fuel additive that will provide overall fuel system cleanliness for prolonged operating life.

SPECIFICATIONS

PETROL INJECTOR CLEANER meets or exceeds the following specifications.

- N/A

APPLICATIONS

PETROL INJECTOR CLEANER offers overall fuel system cleanliness, quickly removes accumulated fuel and combustion deposits which will help to restore power and fuel economy and will not adversely affect fuel system components or exhaust catalytic converters.

PETROL INJECTOR CLEANER improves lubricity for prolonged pump, fuel filter and injector life.

PETROL INJECTOR CLEANER offers corrosion protection for fuel system components, deposit control.

PETROL INJECTOR CLEANER has water shedding properties to prevent emulsion at the fuel-water interface.

PETROL INJECTOR CLEANER is recommended for use at 1500 ppm in petrol. However, there are different formulations to suit different purposes.

350 mil pack is formulated to treat a car fuel tank of 60 litres.

20 litre drum is formulated to treat 5000 litres.

PETROL INJECTOR CLEANER is added to the fuel tank before filling. Drive until the tank is nearly empty before refilling. Use every 3 months or 5,000 kms.
